### Dal 1955 nel mondo della ceramica

Mantenendo i valori dell'azienda di famiglia, dalla sua costituzione ad oggi, Sil Ceramiche è arrivata, a rappresentare un'importante realtà del Made in Italy, con uno sguardo alla continua evoluzione del mercato e delle sue esigenze, ma senza mai dimenticare né trascurare i principi su cui si fonda, che l'hanno vista nascere e crescere: onestà, serietà, trasparenza, impegno, spirito di sacrificio, senso di appartenenza. Ogni nuovo investimento, quindi, è improntato al rispetto della tradizione, a cui si associa lo studio di soluzioni sempre più moderne, a beneficio del patrimonio fondamentale dell'azienda, la Clientela, di cui si ricercano costantemente apprezzamento e fiducia. Questo è l'obiettivo della nuova "Corporate Identity", per un'immagine che rifletta una sostanza ricca di contenuti.

### In the world of ceramics since 1955

Keeping the values of the family business, from its establishment to these days, Sil Ceramiche is now representing an important reality of Made in Italy, with a look to continuous evolution of the market and its needs, but never forgetting nor neglecting the principles it's based on, always present from its start and its rise: honesty, reliability, openness, commitment, spirit of duty and sacrifice, sense of belonging. Each new investment is then based on the respect of tradition, always in connection with the study of more modern solutions, in favour of company's most important assets, that is to say Customers, with a constant seeking for their appreciation and trust. This is the aim of new "Corporate Identity", for an image reflecting a substance rich in contents.
